Open Studio Weekend **2025**

Chiswick | Hammersmith | Shepherd's Bush

Our open studios are a great opportunity for you to visit local artists, discover how their work is made, and what inspires and motivates them.

In June, Artists At Home has 100 established and emerging artists welcoming visitors to see paintings, ceramics, jewellery, sculpture, photography, textiles and prints in 72 studios across Chiswick, Hammersmith and Shepherd's Bush.

This guide contains useful maps and some key studio information. Visit our website at www.artistsathome.co.uk for more details, to plan your route, pick favourites, make enquiries, check studio access and see more of our members' work.

Entry is free to all studios and we look forward to meeting you.
